

2025-2026

Preschool Registration Form

Steps:

1. Select Class 1st, 2nd, 3rd choice
2. Complete Extended Care Registration
3. Determine Seniority

Registration is based on seniority. This means that for each school year you have had children attending Asbury Community Christian Preschool or Clubhouse you have earned one point. **A family may not receive more than one point per year.** For example:

Susy Miller 3 year-old program 2023-2024	}	1 Seniority Point
Josh Miller 4 year-old program 2023-2024		
Susy Miller 4 year-old program 2024-2025 →		1 Seniority Point
		Total = 2 Seniority Point

4. Applications should be mailed or dropped off to:

Asbury Christian Preschool, 78 Church Road, Arnold, MD, 21012

* To receive priority, applications must be received as stated below:

Jan. 6 Priority registration for members of Asbury UMC
and for current and returning families.

(Registration is awarded based on seniority if received by January 17, 2025)

Jan. 13 Registration opens for new families

2'S PROGRAM

For many children, this is their first experience away from their family. Our focus is on learning to follow directions from someone other than their grown up at home and learning to share and developing social skills. Beginning Math, Language & Literacy, Nature and Science and Art and Music concepts are introduced through play. This program uses the Creative Curriculum as the teacher guide. There are nine children in a class with a Lead Teacher and a Teaching Assistant. Children who stay all day will need a nap mat with pillow attached or a small blanket. Children do not need to be toilet trained for the two's classes. If and when the time comes that you are actively toilet training your child at home, please let the teachers know and they will support your efforts during the school day.

***Due to licensing restrictions, Extended care and Extended Learning is not available for children who are in our two's programs.**

3'S PROGRAM

Our 3's program continues to build upon the Social and Emotional Skills that the children are developing. Our curriculum, Children Explore Their World, is a hands-on project approach curriculum enriched in a foundation of science and exploration. The curriculum approaches Mathematics development, Language, Literacy & Communication, Nature and Science, Social and Emotional development, Approaches to learning, Scientific reasoning and Motor and physical development through content-rich projects that build upon children's knowledge and increase in complexity. Our spacious rooms allow us to offer a class size of up to 18 children with a Lead Teacher and two Teaching Assistants. This provides opportunity for multiple learning groups within the classroom.

Extended Learning is an educational classroom program that operates five days per week. You may register for extended learning on your child's opposing school days to create a five day a week option. Please see extended learning information below.

Extended Care is our before and after school care program that is open from 7am-9am and 3pm-6pm. Hourly options are available, but you must register for a spot. Spaces are limited to first come, first served.

PRE-K PROGRAM

Asbury's 4's programs align with the Maryland Model for College and Career Readiness, introducing the social and academic readiness skills to prepare children for their formal learning experience of kindergarten. Our fours programs use the Children Study Their World Curriculum. The curriculum approaches Mathematics' development, Language, Literacy & Communication, Nature and Science, Social and Emotional development, Approaches to learning, Scientific reasoning and Motor and physical development through content-rich projects that build upon children's knowledge and increase in complexity. Our spacious rooms allow us to offer a class size of up to 18 children with a Lead Teacher and a Teaching Assistant. This provides opportunity for multiple learning groups within the classroom.

Extended Learning is available to children registered in our Monday/Wednesday/Friday or our Monday-Thursday PreK program. Your child may attend extended learning on their non class day.

Extended Care is our before and after school care program that is open from 7am-9am and 3pm-6pm. Hourly options are available, but you must register for a spot. Spaces are limited to first come, first served.

EXTENDED LEARNING

Our Extended Learning Program can be used in addition to your child's preschool program. During the hours of 9:00-3:00pm, the Extended learning program offers an enrichment program which utilizes the projects of Children Study their World, allowing the child to guide their learning experience through exploration. This program is rich in Language arts and offers a broad range of knowledge as well as allowing children multiple opportunities for explorative and imaginative play.
