2'S PROGRAM

For many children, this is their first experience away from their family. The program focuses on learning to follow directions from adults other than their grown-up, sharing, and developing social skills. Beginning concepts in Math, Language & Literacy, Nature and Science, and Art and Music are introduced through play using The Creative Curriculum as a guide.

Each class includes nine children and is staffed by a Lead Teacher and a Teaching Assistant. Children attending the full day will need a nap mat with an attached pillow or a small blanket.

3'S PROGRAM

Our 3's program continues to build upon the social and emotional skills children are developing. The curriculum, Children Explore Their World, uses a hands-on, project-based approach with a strong foundation in science and exploration. Learning experiences support development in Mathematics, Language, Literacy & Communication, Nature and Science, Social and Emotional Development, Approaches to Learning, Scientific Reasoning, and Motor and Physical Development through content-rich projects that grow in complexity as children's understanding deepens.

Our spacious classrooms allow for a class size of up to 18 children, staffed by a Lead Teacher and two Teaching Assistants, providing opportunities for multiple learning groups within the classroom.

PRE-K PROGRAM

Asbury's Prekindergarten is an MSDE approved program which aligns with the Maryland Model for College and Career Readiness and introduces the social and academic readiness skills children need to prepare for their formal kindergarten experience. The program uses the Children Study Their World curriculum. Learning experiences support development in Mathematics, Language, Literacy & Communication, Nature and Science, Social and Emotional Development, Approaches to Learning, Scientific Reasoning, and Motor and Physical Development through content-rich projects that build upon children's knowledge and increase in complexity.

Our spacious classrooms allow for a class size of up to 18 children, staffed by a Lead Teacher and a Teaching Assistant, providing opportunities for multiple learning groups within the classroom.

Extended Learning/STEM

Extended Learning/STEM is a program that your child can utilize outside of their typical classroom schedule. Extend Learning/STEM is available M-F 9:00am-3:00pm. Extended Learning/STEM following the Children Study Their World curriculum. And offers hands-on learning experiences grounded in math and science.

EXTENDED CARE

Extended Care is a wraparound program for children enrolled in our 3's and 4's programs and is available from 7:00 a.m. to 6:00 p.m. This program provides childcare in addition to classroom instructional time.

Asbury Preschool Registration Contract

2026-2027

1. A \$100.00 non-refundable registration fee per child is due with the registration form (\$75 per add'l. child)
2. A deposit equal to one month's class tuition for the upcoming school year is due by May 1st, 2026, to hold your child's spot.
3. The deposit is non-refundable if you leave Asbury mid-year but will be applied to your last month's tuition if you remain enrolled the whole school year.
4. Monthly statements are emailed on the 1st of each month. Tuition is due on the 10th of each month, starting September 10th. A \$10 late fee will be applied if tuition is not received by the 10th of each month.
5. Delinquent payments of one month may result in the child's enrollment being cancelled.
6. A \$25.00 fee will be charged for all returned checks.
7. A 10% discount on tuition will be applied for families who have two or more children enrolled in the programs at Asbury.

I have read and understand the above statements and accept the terms for the 2026-2027 school year.
