1 CORINTHIANS
A CHILD OF GOD IS KIND

Welcome Back!

The 39th year of Asbury Community Christian Preschool has just begun. We welcome you to our school!

We hope that you and your child will have a positive experience, filled with love, learning and growth. Each child is unique to us and will hold a special place in our hearts for years to come. We celebrate this uniqueness by encouraging each child to grow at their own pace and to develop physically, intellectually, emotionally and spiritually. We have a talented staff and are enthusiastic about the 2021-2022 school year!

Welcome to our new friends and welcome back to our old friends.

TINY TIDBITS

As your family eases back into the school year, relaxed mornings can set the tone for stress free days. A well planned routine will help. Here are a few ideas to start the school year off on a peaceful note.

BE AN EARLY BIRD

Set your alarm to wake you up early. Take a few minutes to snuggle with your little one and perhaps read a story. Or build a reward into the morning: If she's ready on time, she can play until it's time to leave.

GIVE YOUR YOUNGSTER A ROLE

Your child will get used to a morning routine quicker if he has a hand in creating it. For example, you might let him choose whether he will get dressed before or after breakfast.

GET ORGANIZED

Set aside a special place for everything your child must take to school, such as books and show-and-tell items. You might put them in a shoebox or plastic tub. Place it in a spot that's easily visible.

BE PREPARED

Whatever you include in your routine, prepare for it as much as possible the night before. Examples: packing lunches, writing notes to the teacher. That way, you won't feel rushed if something unexpected comes up the next day.

TIP: YOUNG CHILDREN LIKE REPETITION, SO TRY TO MAKE YOUR YOUNGSTER'S ROUTINE PREDICTABLE BY DOING EVERYTHING IN THE SAME ORDER EACH DAY.
